You should think carefully before securing debts against your home. Equity Release and lifetime mortgages may affect your entitlement to state benefits and will reduce the value of your estate. To understand the features and risks, ask for a personalised illustration.

Mortgage Select do not charge any up front fees. A fixed fee is only charged on completion of an Equity Release Plan.

Typically, this is £995. Full terms of business are available on our website.

Mortgage Select SW Ltd is authorised & regulated by the Financial Conduct Authority. Registered in England & Wales 5165050
